

**Virginia/DC *FIRST* LEGO League
Regional Tournament Information**

City: South Boston / Halifax
Location: Halifax County Middle School
1011 Middle School Circle
South Boston, VA 24592

Date: November 14, 2009

Contact Person for more information: Kenneth Cochran
Email address: kcochran@halifax.k12.va.us
Phone number: 434 572-4155
(between 8:00 and 9:30 AM only Please)

Parking information: Pull into the **north** driveway and follow it around to the back of the school. There is ample parking and the entrance to the building will be from that parking lot.

Direction to tournament site: The Halifax County Middle School is located North of the town of South Boston and South of the town of Halifax directly on Highway 501.

Food and Dining We hope that you will take advantage of our food service. We will be providing hot dogs with all the fixings along with drinks and chips and should have pizza available too. We most likely will have snack items like candy bars, M&M's etc available. For those who want breakfast items before the tournament starts, there is a full range of fast food restaurants north of the school right on Highway 501.

You will be permitted to eat in the staging area (which is the school's cafeteria) and on the patio area outside of the cafeteria. No food or drinks are permitted outside of the cafeteria area. Your cooperation in this rule is appreciated.

Starting Time: The building will be open at 8:00 AM with a planned tournament starting time of 9:00.

Planned Ending Time: Hopefully, we should be wrapping things up around 4:00 if all goes well.

Sponsors you'd like to recognize:

First and foremost, the Halifax County Middle School, Principal Mrs. Beverly Crowder, and the Halifax County Public School System for their support and use of the fine facilities. Other sponsors along with their contributions will be recognized at the tournament.

Other important information:

The main competition itself will be held in the Gymnasium so there will be ample seating for everyone to watch. Feel free to bring friends and family to watch the teams compete. The other judging portions of the competition will be held in rooms adjoining the cafeteria/gymnasium area.

Other than the two main competition tables and the judging tables, we plan to have three or four practice tables set up in the cafeteria area for your convenience. We hope you will all have a great time and a successful one.
